

Oberstdorf / Bergamo / Champéry

C.o.E. Development Joint Camp

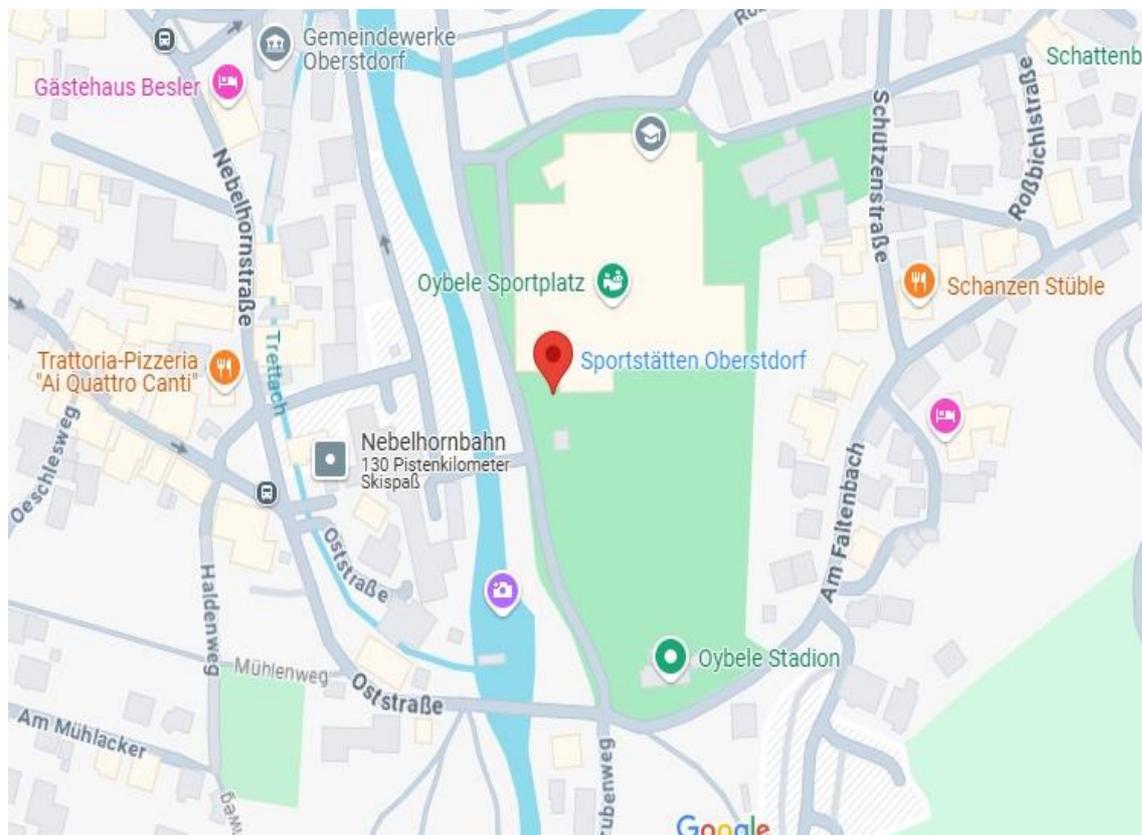

The ISU Centres of Excellence are proud to present a unique training programme specifically tailored to figure skaters in the 'Advanced Novice' and 'Junior' categories from developing countries. Our intensive joint training camp aims to promote the development of skills, the refinement of technique and an understanding of the rules of figure skating.

A stunning view of the Eissportzentrum Oberstdorf with Oberstdorf's most famous mountain: the "Nebelhorn".

Coaching Team

Ria Schiffner & Niko Ulanovsky (ISU COE Oberstdorf)

Ria and Niko coach a number of upcoming talents at the ISU Center of Excellence in Oberstdorf; among others, they are the coaches of Genrikh Gartung, who has won several medals at the ISU Junior Grand Prix competitions and is the reigning German champion.

Rosanna Murante (ISU CoE Bergamo)

Rosanna Murante has been part of the successful coaching team at the international ISU Centre of Excellence in Bergamo for many years. During this time, Rosanna has coached many European, world and Olympic skaters.

Gerli Liinamäe (ISU CoE Champéry)

Gerli Liinamäe, a coach at the Skating School of Switzerland in Champéry, run by Stéphane Lambiel, can look back on a successful competitive career. Gerli offers her pupils direct and modern access to elite sport.

Deniz Doru (ISU CoE Oberstdorf)

Deniz Doru is a versatile artist from Germany. He works as a singer, dancer and choreographer and is active internationally in the entertainment and show business industry.

Special Guest:

Halla Sigurthorsdottir (Aiving Jump Tracker)

Founder & CEO of Aiving, a sports technology company focused on improving figure skating training using data and wearable sensors. Aiving partnered with the International Skating Union (ISU) in 2026.

Training Program Highlights

Participants will receive a comprehensive training programme that includes the following:

- 12 master classes (50 minutes each) on various selected topics such as steps and turns, spins, jump technique...
- 6 free ice training sessions (50 minutes each)
- 6 off-ice dance classes
- 6 specific off-ice exercise classes
- Theory lessons on various useful topics, e.g. ISU rules and scoring system, Personal Development Plan...

Notes: Skaters are supervised only during trainings and the presence of a responsible adult outside these times is therefore mandatory.

Assessment and Selection

The number of participants is limited to a maximum of 24 skaters. The skaters are divided into two groups of up to 12 athletes each. Smaller subgroups are formed for some specific training sessions. Candidates are assessed and selected by the ISU Development Commission and a committee of coaches from the three participating centres.

Participant cost

- 250 Euro per skater (includes tuition, ice, use of the facilities)
- 130 Euro per coach (includes attending to all the lessons on and off ice)
